Rapport d'aide à la décision fondé sur l'inventaire réel et les proxies déclarés. Les recommandations sont des inférences préliminaires, jamais une promesse de résultat.

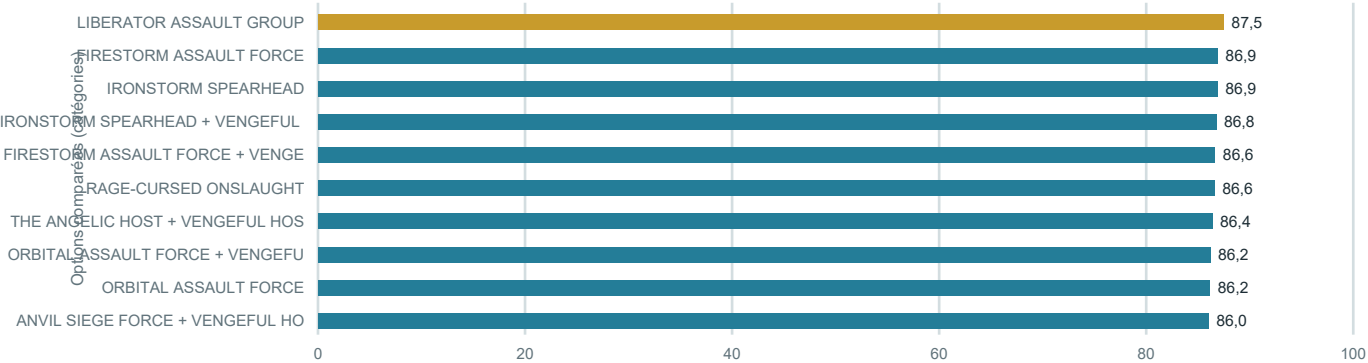

Périmètre de l’inventaire

60 fiches jouables complètes, 188 identifiants physiques, 180 associations réelles et 434 associations proxy dans cette projection.

Une même figurine peut être associée à plusieurs fiches dans l'inventaire. Les noyaux ci-dessous réservent chaque ID physique une seule fois ; une alternative remplace un choix et ne s'y ajoute pas automatiquement.

UPON WINGS OF FIRE : At the end of your opponent’s turn, you can select a number of Adeptus Astartes Jump Pack units from your army (excluding units that are within Engagement Range of one or more enemy units). The maximum number of units you can select depends on the battle size, as follows: ▪ Incursion - Up to 1 unit ▪ Strike Force - Up to 2 units ▪ Onslaught - Up to 3 units Once you have made your selections, remove those units from the battlefield and place them into Strategic Reserves. In the Reinforcements step of your next Movement phase, set each of those units up using their Deep Strike ability.

Restriction : Your army can include Blood Angels units, but it cannot include any Adeptus Astartes units drawn from any other Chapter.

Hypothèses et limites

Ce rapport n'est pas une liste complète. Il ne simule ni table, ni terrain, ni adversaire, ni séquence de CP. Une unité éligible dans le catalogue n'est pas automatiquement une cible valide en partie. Les règles non structurées sont conservées comme texte et diminuent la couverture analytique.
